Dear Sir:

The above-referenced application was filed over 11 months ago and there has yet to be received an initial Office Action from the Patent Office. Counsel faxed the Patent Office on 8/26/2004 to have the case associated with customer number 25179, but the Office has failed to do so. Accordingly, it is respectfully requested that the Patent Office advise applicant of the status in this application.

Dated this 7/21/2004

Respectfully submitted,

R. William Graham
